Barron s Educational Series, United States, 2005. Board book. Book Condition: New. For the Us.. 160 x 157 mm. Language: English . Brand New Book. Ponies have tails and manes with hair that s soft to touch. Boys and girls can also stroke a pony s soft nose and a young foal s velvety face. The lively Feels Real board books for toddlers are filled with vivid color photos of friendly animals that children love to pet. But Feels Real Books are more than ordinary picture books. Each of them has a different texture patch on every one of its two-page spreads--surfaces for very young boys and girls to touch. Different textures allow kids to experience the touch of animals fur or skin. When little hands have opportunity to touch and feel, the animals in these books suddenly come to life.
