Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Child Care and Child Welfare: Outline for Study From institutions that are offering courses for the training of vocational teachers of home economics there has been a very general demand for source material which could be used as the basis of instruction in child care and child welfare. This demand comes because of the emphasis that is now placed upon child care as an important part of the vocational training for home making. The Federal Board for Vocational Education is charged with the duty of making studies, investigations, and reports which will be of assistance to the States in the establishment and conduct of vocational schools and classes. When deemed advisable, these studies and reports may be made in cooperation with or through other Government departments interested in similar lines of work. One of the chief functions of the Children's Bureau of the Department of Labor is to make studies and investigations in the field of child care and child welfare. Through a cooperative arrangement between that bureau and the Federal board for Vocational...
