Emereo Classics, Australia, 2012. Paperback. Book Condition: New. 246 x 188 mm. Language: English . Brand New Book ***** Print on Demand *****.The Count of Monte Cristo is an adventure novel by Alexandre Dumas. It is often considered to be, along with *The Three Musketeers*, Dumas most popular work. He completed the work in 1844. Like many of his novels, it is expanded from the plot outlines suggested by his collaborating ghostwriter Auguste Maquet. The story takes place in France, Italy, islands in the Mediterranean and the Levant during the historical events of 1815?1838 (from just before the Hundred Days through to the reign of Louis-Philippe of France). The historical setting is a fundamental element of the book. An adventure story primarily concerned with themes of hope, justice, vengeance, mercy and forgiveness, it tells of a man who is wrongfully imprisoned, escapes from jail, acquires a fortune and sets about getting revenge on the men who destroyed his life. However, his plans also have devastating consequences for the innocent as well as the guilty. The book is considered a literary classic today. According to Luc Sante, *The Count of Monte Cristo* has become a fixture of Western civilizations literature, as inescapable and immediately identifiable as Mickey Mouse, Noahs flood, and the story of Little Red Riding Hood.
