KING OTTOKAR'S SCEPTRE: THE ADVENTURES OF TINTIN

Little, Brown. 1 Paperback(s), 2011. soft. Book Condition: New. Someone is after Tintin. A lost briefcase has led the intrepid Belgian cub reporter to Professor Alembick, the owner of a very rare object that once belonged to King Ottokar IV of Syldavia. Tintin then joins Alembick on a trip to this foreign land but can the professor be trusted? A clue in Syldavian history alerts Tintin to a conspiracy to take over the current king's throne. But who is behind the plot? And will Tintin find out before he is captured? This edition, in a format intended for readers 8 to 12, includes more than 20 pages of bonus material exploring the real-life inspirations for Tintin's adventure. Since it was launched in 1929, the comic series *The Adventures of Tintin* by pioneering Belgian cartoonist Hergé has influenced generations of cartoonists, as well as artists like Andy Warhol and Roy Lichtenstein, and has earned awards as lofty as the International Campaign for Tibet's Light of Truth Award while entertaining millions of children and adults in 38 languages. Tintin and his fox terrier Snowy seem to have a knack for investigating stories that lead to trouble, all over the world and even on the moon. 23.
