Garnet Publishing Ltd, United Kingdom, 2009. Mixed media product. Book Condition: New. Revised student ed.. 297 x 210 mm. Language: English . Brand New Book. English for Academic Study: Listening English for academic study: Listening is based around transcripts from authentic lectures recorded in a genuine academic environment and, hence, is ideal for students preparing for English-medium study. The lectures are recorded on DVD to provide the student with an authentic learning experience. The lecture extracts are taken from a range of academic fields, including banking, development economics, marketing, psychology and linguistics. The extracts have been chosen to be accessible to a general audience, while at the same time appealing to students studying these subjects. The 2009 edition of EAS Listening has been fully revised for ease of use. As well as a new format, the Course Book now comes with a book map, unit summaries, and a comprehensive glossary of terms. Each unit has weblinks offering additional information and activities, related to both listening skills and the topics covered in the units. A dedicated website, offers further teacher resources. This book can be used in conjunction with the following books in the English for academic study series, also published by Garnet Education: EAS Reading, EAS Writing, EAS Extended Writing Research Skills, EAS Speaking, EAS Vocabulary and EAS Pronunciation. Key Features * Audio CDs for further self-study or homework * Varied lecture styles, topics and international accents * Extended authentic listening texts of up to ten minutes * Units cover both macro-skills and micro-skills (word and sentence stress, recognising word patterns) * Separately available DVD provides a realistic learning environment, showing how visual prompts aid understanding and presentation * Ideal for classroom or media centres Accompanying Teacher s Book and DVD also available.
